

European Energy Commissioner's Visit

Press Release On 22/07/2011 11:15:02

Visit to Sant Antnin Waste Treatment Plant by the European Energy Commissioner

European Energy Commissioner, **Günther Oettinger**, visited Malta yesterday the 21st of July for talks with the Finance Minister Tonio Fenech and Resources and Rural Affairs Minister George Pullicino. During his short stay, the commissioner visited Sant Antnin Waste Treatment Plant where he was guided around and informed about energy related projects which WasteServ is seeking to put forward with the support of the European Commission.
